On the completion of the days racing, paddlers may not be supplied with prepared food. All Junior crews must cook their own meals with food supplied by their supporters and must remain in the official camp sites at the end of each days racing. At Newbury (Northcroft Leisure Centre), Marlow (Longridge) and at Ham (Thames Young Mariners), crews must sleep in tents provided by them or their supporters. No competitor may leave a campsite without the permission of a Site Marshal.

Crews using the sites will rise in time to pack up, clean their quarters and place all refuse in the sacks provided and will not be allowed to proceed until approval is given by a Site Marshal. No person other than a Race Official or a Junior Competitor will be allowed access to any campsite used for the accommodation of competitors.

Entries are accepted on the understanding that in the event of a crewmember being unable to continue, his/her partner may not proceed alone. However, the 'able' partner may, if he or she wishes, link up with another crewmember similarly placed and finish the course. A new crew so formed should report to the nearest Checkpoint or Race Official giving their names and the race number under which they are continuing. They should also confirm this information at the finish. The crew will not be eligible for any award other than a certificate of completion, a finisher's medal and the Sir Louis and Lady Gluckstein Trophy.

Any late changes to crewmembers must be notified to the Competition Secretary at the time of checking-in, ensuring entry form requirements are met.
