

DEVIZES TO WESTMINSTER CANOE RACE – ROAD CROSSINGS

The race crosses 8 roads. Only Aldermaston is an “A” road but there can still be significant traffic on the others.

DW does not marshal road traffic . Support crews are therefore strongly advised to be in attendance at road crossings to ensure that their paddlers get across safely.

	<u>Location</u>	<u>Miles from Devizes (by boat)</u>	<u>Map reference</u>
Crossing 1	Wootton Rivers	14.8	OS Map 173 – grid reference - 198629
